From the Office

It's hard to believe that we are already heading into April! The month of March was a busy one with a number of exciting events taking place. Congratulations to our Chess team that had an excellent tournament with a number of top 10 finishes and a finalist who will be representing Diamond Trail in the Gr. 3 division. Before the break we celebrated a few months worth of Perfect Attendance winners. Junior and Intermediate students were treated to a pasta lunch (with dessert), live music from the band and some laughs while playing a number of games run by the Gr. 9 leaders from Eastdale. Primary students enjoyed a pizza lunch in the library with some other friends who worked hard to be at school every day!

April looks to be a busy month as well. A number of our Intermediate students leave for the second trip to the Tim Horton's Camp April 3rd to 6th! What an exciting opportunity. Our Gr. 6, 7 and 8 students have been invited to Eastdale for a basketball game against Eastdale teachers and the opportunity to watch Eastdale student play against the NRP.

During the month of April students will continue to work on their reading and writing skills. Students will be finishing up with Geometry and Spatial Sense and moving into Measurement, Number Sense, Patterning and Algebra!

A special thank you to School Council who purchased a laptop for use in every class in the school. The students and staff at Diamond Trail certainly are lucky to have our hard working and supportive council. Thank You!
